Hull Material:	GRP
Engine:	Volvo Penta MD31A, 60hp
Designer:	Thorwald Karlsson/ Najadvarvet
Accommodation:	6 berths in 2 cabins & saloon
Builder:	Najadvarvet - Sweden
Location:	Lymington, UK
Price:	£100,000 VAT paid

Broker's Comments:

As only the Scandinavians can, beautifully and strongly built by Najad. Excellent and spacious below decks for 40ft. She has spent most of her life in Germany and the Baltic before coming over to UK waters when the current owner bought her in 2014. In-mast furling version which are rare to the market. Copper coated bottom and recent nav. gear additions. Very capable of bluewater or for local cruising, which she has done well in this ownership. Sadly for sale due to lack of use from ill health.

Owner's Comments:

First class yacht in the well-known Najad quality with extra equipment and very well maintained. Comfortable saloon, fore ship cabin and stern cabin, both with large double berths.

Construction:

RCD Status: Our understanding is that the yacht is exempt from the essential safety requirements of the Recreational Craft Directive as she was built and placed into use within the EU prior to 1998.

Hull, Deck & Superstructure Construction:

- Solid GRP hull.
- Hull fully copper coated (2013).
- The hull is further reinforced by built-in longitudinal and transversal divynycell-cored stringers and frames above and below the waterline.
- All bulkheads are bonded to the hull from both sides.
- Built-in rubbing strake fitted with brass capping.
- White gelcoat is used with traditional Najad "Carmine Red" trim line and waterline.
- The deck and superstructure are of sandwich construction with devynycell (closed-cell foam) core.
- Teak laid deck, superstructure and cockpit.
- Teak capped raised bulwark.

Keel & Rudder:

- Lead keel.
- The rudder is cored GRP with a 35mm diameter stainless steel stock.
- Full length skeg.
- Rudder fittings are of cast bronze.

Machinery:

Engine & Gearboxes:

- Volvo Penta MD31A 60hp 4-cylinder direct injection 4-stroke marine diesel.
- Fresh water cooling via raw water intake and heat exchanger.
- Exhaust temperature alarm (2014).

Maintenance & Performance:

- Engine hours – approx 2,252 as of November 2019.
- Engine last serviced: January 2016.
- Cruising speed – approx 6.5knots @ 2,250rpm
- Maximum speed – approx 7 knots @ 2,500rpm.

Propulsion & Steering:

- 35mm stainless steel propeller shaft.
- Flexfold 3-blade folding propeller.
- Prop protector 35mm bore 100mm dia blade (installed 2013).
- 6hp bow thruster with foot controls at helm.
- New bowthruster propeller (2016).

Electrical Systems:

Voltage Systems:

- 12vDC domestic system with 220v ring main from shorepower.

Battery Banks:

- Battery parallell switch for emergency starting (2014).
- New engine start battery (2017).
- 3 x service batteries (2014).

Battery Chargers:

- Tystor 40AMP battery charger.

Alternators:

- 12volt engine alternator.

Shore Power:

- 240v shorepower connection.

Plumbing Systems:

Fresh Water & Water Heating System:

- Water pressure pump.

Bilge Pumps:

- 1 x Manual bilge pump.
- 1 x Electric bilge pump.

Tankage:

Fuel:

- 1 x 250L / 66 Gallons stainless steel tank.

Fresh water:

- 1 x 348L/ 92 Gallons stainless steel tank.

Blackwater holding tanks:

- 1 x 100L Holding tank with pump out.

Navigation Equipment:

In cockpit:

- Compass at steering wheel pedestal.
- DatalineX AP3000X autopilot.
- Raymarine SL70c chartplotter with 2kw radar.
- Raymarine ST60+ Wind.
- Raymarine ST60+ Depth.
- Raymarine ST60+ Speed.
- Raymarine hybrid touch chartplotter (2016).
- Raymarine E7 plotter 2013.
- Icom AIS 500 TR 2013.
- Dig class B spitter 2013.

At chart table:

- Icom Class B AIS transponder

Communications Equipment:

- Raymarine 240 VHF radio.

Domestic Equipment:

Galley:

- Eno 2 burner hob and oven.
- Iostherm coolbox.
- Double sink with mixer tap.

Heads/Showers:

- Raritan manual flush seawater toilet.
- Ceramic sink with pull out tap for shower.

Heating & Ventilation:

- Eberspächer diesel heating.

Lighting:

- Top lantern tricolor light.
- Anchor light.
- Flash light.

Entertainment:

- Blaupunkt radio with CD/AUX cable for iPhone etc.

Accommodation:

Summary of Accommodation:

- Sleeps 6 in 2 cabins and saloon.

Internal Layout:

Description of layout from forwards:

- V berth with infill up forward, changing area with wardrobes to port and starboard.
- Seating either side of saloon, saloon table offset to port with leaves.
- Forward facing chart table aft of saloon to starboard.
- Aft of chart table is forward facing heads.
- To port opposite the chart table is a longitudinal galley leading through to the aft cabin.
- Aft cabin has a large split berth to allow sleeping to port or starboard. Small seat to port and starboard.

Deck Equipment:

- R*• Selden in-mast furling
